

DV9 SUTRA

GREEN SHOTS

Story Of The Product

DV9 Sutra – Green Shots is a refined plant-based wellness formula crafted for modern lifestyles, combining detoxification, multi-vitamin support, and daily vitality in a single powerful serving. Enriched with green superfoods and essential nutrients, it helps purify the body, strengthen immunity, and promote sustained energy—making it your everyday ritual for holistic health and inner balance.

“Daily detox, natural energy and overall health – all in one green shot.”

The Modern Wellness Challenge

Today's fast-paced lifestyle creates a perfect storm of health challenges. Busy professionals, fitness enthusiasts, and ambitious students face daily obstacles that compromise their vitality and long-term wellbeing.

Poor Nutritional Choices

Processed foods dominate our diets, leaving us nutrient-deficient and craving more

Chronic Fatigue

Low energy levels persist throughout the day, affecting productivity and quality of life

Weakened Immunity

Frequent illnesses and slow recovery times plague our bodies' natural defenses

Digestive Issues

Bloating, discomfort, and poor gut health undermine our digestive system's efficiency

Stress Accumulation

Mental and physical stress builds up, creating a cycle of exhaustion and inflammation

The Solution: Green Shots

A revolutionary daily nutrition formula designed for the modern wellness seeker. Green Shots combines nature's most potent superfoods into one convenient, powerful supplement that transforms your health from within.

Plant-Based Power

100% natural ingredients sourced from nature's most nutrient-dense superfoods

Multi-Vitamin & Multi Minerals Formula

Comprehensive daily nutrition in a single, easy-to-consume serving

Detox & Renew

Strategic blend designed to cleanse, energize, and rebuild your body's natural defenses

Benefits of Green Shots

Our Hero Ingredient

Japanese Shiitake

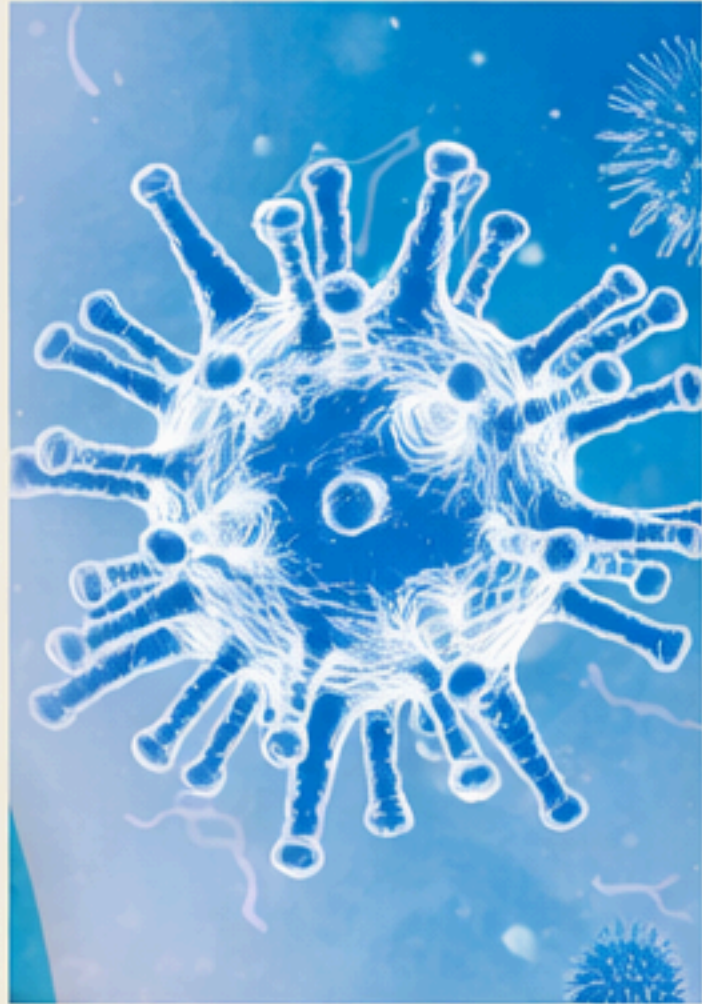

(Mushroom)

Shiitake Mushroom is a powerful medicinal superfood known for its rich nutritional profile and health-supporting properties. It contains essential bioactive compounds, antioxidants, and is also a natural source of Vitamin B12 & Vitamin D, making it highly beneficial for overall wellness.

Nature's Immunity & Longevity Booster

Benefits of Japanese Shiitake (Mushroom)

Boost Immunity

Contains natural beta-glucans that strengthen the body's defense system

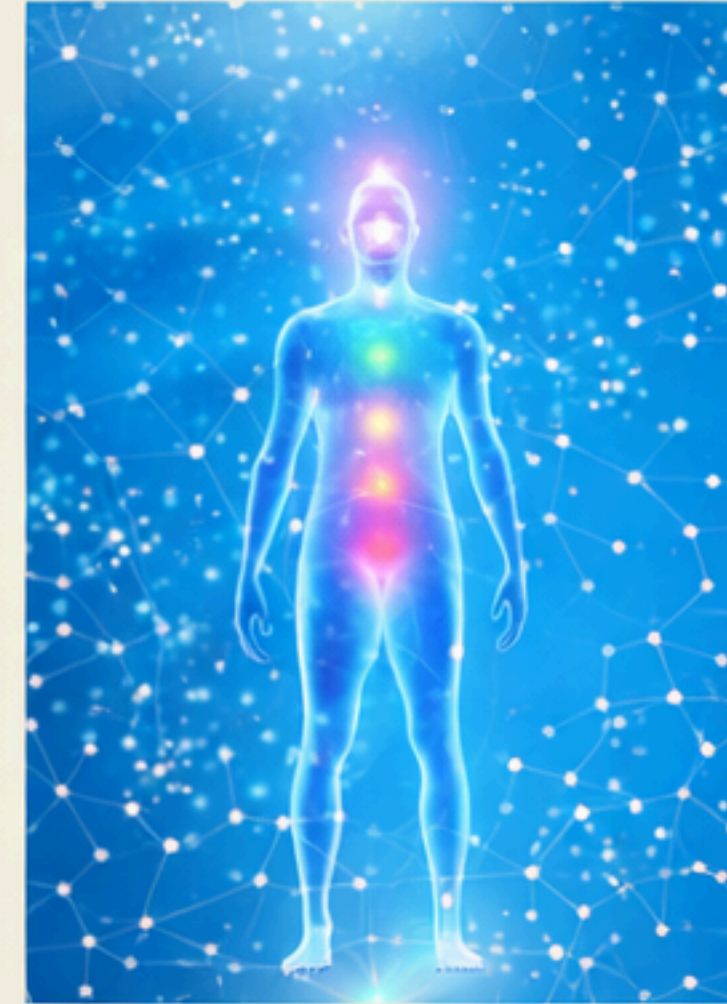

Heart Health

Helps maintain healthy cholesterol levels and cardiovascular function

Rich Antioxidants

Protects cells from oxidative damage and supports anti-aging

Energy & Vitality

Improves stamina and supports overall physical performance

Skin Health

Promotes healthier, glowing skin and natural repair

Star Ingredient

Prickly Pear

Prickly Pear (*Opuntia cactus fruit*) is a powerful plant-based superfruit rich in antioxidants, fiber, vitamins, and betalains. It helps protect against oxidative stress, supports metabolism, balances blood sugar, and promotes natural detox for overall wellness.

Key Benefits

- Supports Blood Sugar Balance
- Rich in Antioxidants
- Boosts Hydration & Skin Health
- Supports Digestive Health
- Aids in Detoxification
- Supports Weight Management

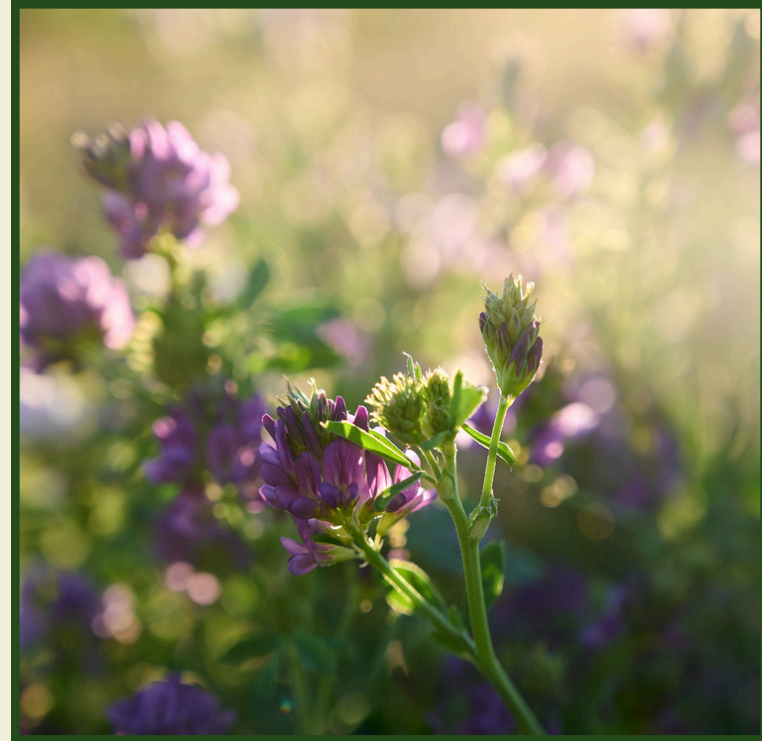

**A Hydration & Antioxidant-Rich
Superfruit for Modern Wellness**

Rich in Vitamin C

Helps detoxification

Enhances taste naturally

Natural flavor enhancer.

Mint Powder

Cooling herbal ingredient

Benefits:

Aids digestion

Provides freshness

Helps soothe stomach

Supports metabolism

Refreshing cooling effect

Natural cooling agent.

How Green Shots Work?

Science, Simplified

This potent blend targets longevity pathways (sirtuins), neutralizes free radicals, and boosts circulation + **mitochondrial energy** — together enhancing resilience, cognition, and natural detoxification.

Antioxidant Action

Spirulina, chlorella, and wheatgrass neutralize free radicals and oxidative damage.

Sirtuin Activation

Green tea extract and turmeric boost cellular repair pathways.

Natural Detox & Energy

Chlorophyll and matcha support natural detoxification and energy production.

Usage & Dosage

Simple Daily Ritual

Take 2 g twice daily Mix with water, juice, or smoothie Stir well and consume immediately

Pack Information

Each jar contains 80 g
Approx. 40 servings
(2 g per serving)
