

DV9 SUTRA

ULTRA SHOTS

“ Cellular Longevity & Vitality Powder ”

About the Product

DV9 Sutra – Ultra Shots is a high-potency, vegan cellular longevity powder designed for daily energy, vitality, and anti-aging support. With rapid sublingual absorption, it delivers higher bioavailability—no water needed. Powered by 98% Trans-Resveratrol and premium antioxidants like Astaxanthin, Blueberry, and Grape Seed Extract, it helps protect cells, support heart health, skin glow, and overall wellness. Added Panax Ginseng, Beetroot, prebiotics, and Vitamin C support stamina, circulation, digestion, and collagen formation. A simple once-daily routine for complete cellular health.

Challenges & Solutions

Addressing Modern Lifestyle Struggles

Modern Lifestyle

Today's fast-paced lifestyles lead to increased **oxidative stress**, low energy levels, and accelerated aging, impacting overall health and vitality in various aspects of life.

Ultra Shots

DV9 Sutra's Ultra Shots offer a **powerful solution** to combat these issues with rapid absorption and high bioavailability, providing essential nutrients without the need for water, enhancing daily wellness.

Our Hero Ingredient

Resveratrol

Japanese Knotweed

98% Trans-Resveratrol

Resveratrol is a natural antioxidant compound produced by plants to protect themselves from stress, fungal infections, and environmental damage. It is classified as a phytoalexin, which means a plant-defense molecule.

NATURAL SOURCES

Red Grapes

Red grape skins contain high levels of resveratrol.

Red Wine

Red wine is a potent source of resveratrol.

Peanuts

Peanuts also contribute a modest amount of resveratrol.

Berries

Blueberries and cranberries are rich in antioxidants.

Japanese Knotweed

Japanese Knotweed is a traditional source of resveratrol.

Key Benefits of Resveratrol Japanese Knotweed

Excellent adaptogen for modern stress lifestyle.

How Ultra Shots Work?

Science, Simplified

The formula targets longevity pathways (sirtuins), neutralizes free radicals, and supports circulation+ mitochondrial energy — together improving resilience, cognition, and skin health.

Antioxidant Action

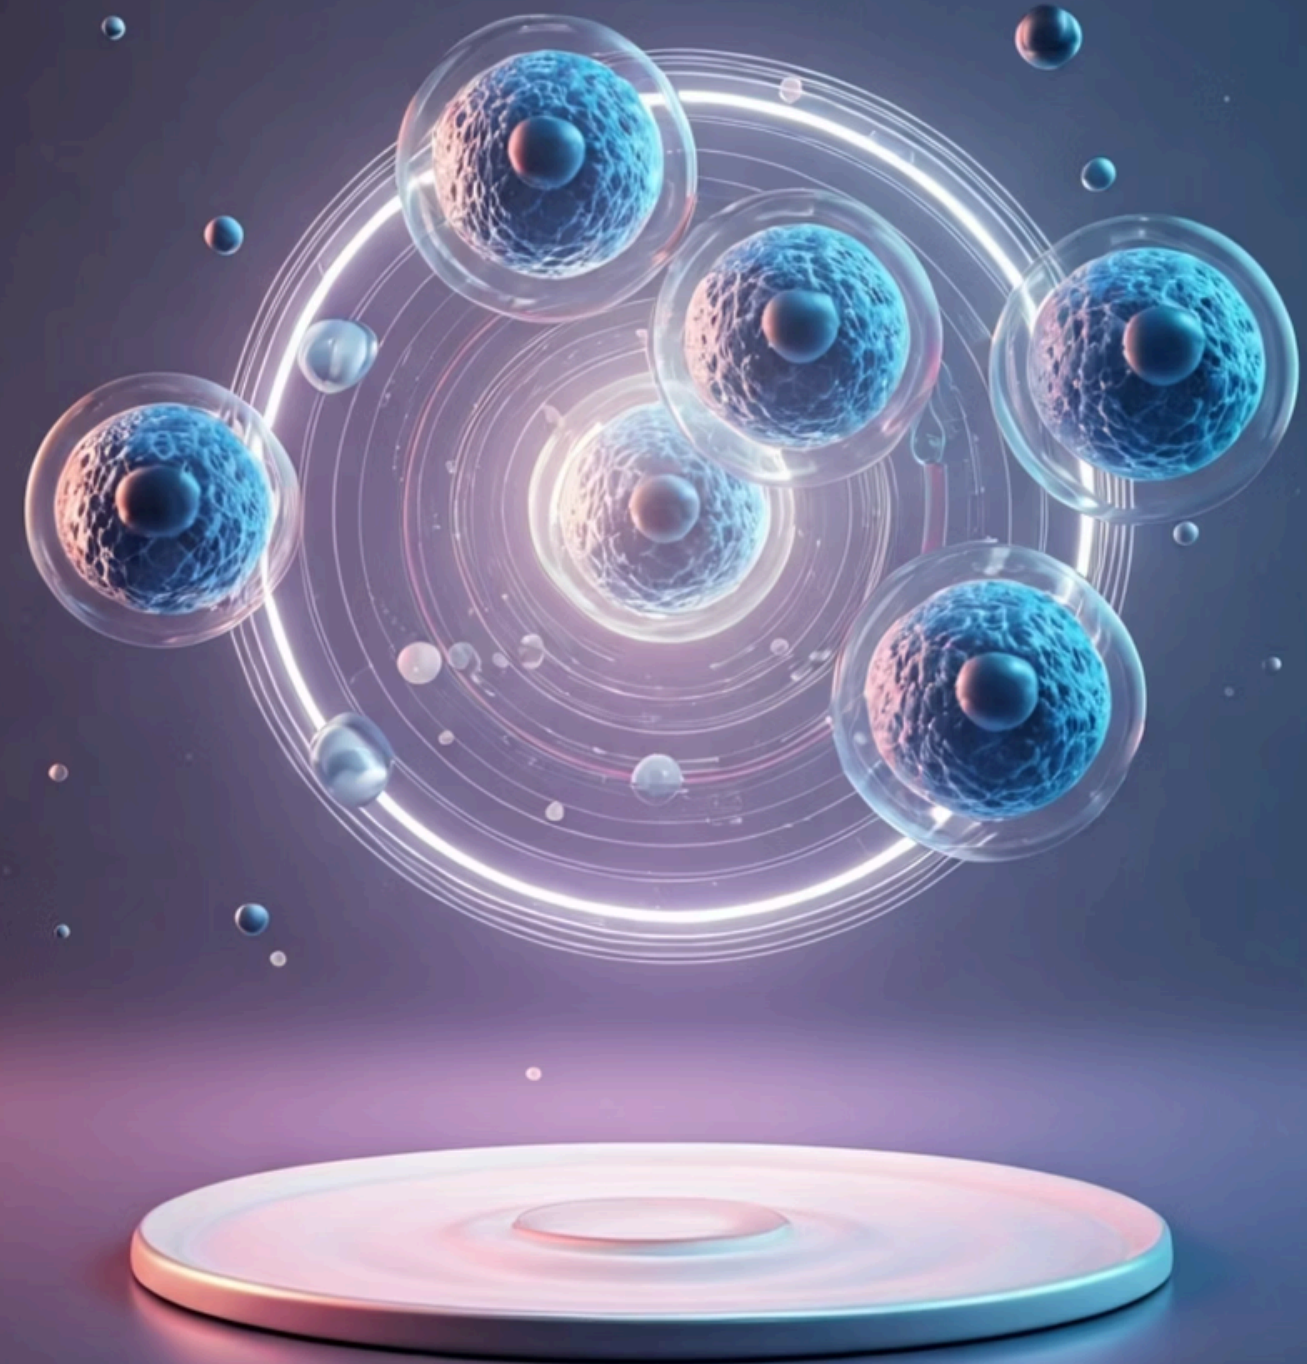

Astaxanthin and grape seed reduce oxidative damage.

Heart & Brain Support

Beetroot and ginseng support heart and brain energy.

Sirtuin Activation

Resveratrol boosts cellular repair pathways.

Usage & Dosage

Simple Daily Ritual

Take 2 g once daily. Pour directly on the tongue. No water required.

Pack Information

Each bottle contains 40 g, providing approximately 20 daily servings (2 g per day).

Timing

Best taken in the morning or pre-activity for energy and focus. Can also be used before meetings or workouts.

Safety

Formulated for daily use. If you are pregnant, nursing, have a medical condition, or are taking medication, please consult your healthcare professional before use.

Premium Quality Assurance

FSSAI Certified

Registered with India's Food Safety and Standards Authority, ensuring compliance with national food safety regulations

GMP Compliant

Manufactured in Good Manufacturing Practice facilities following international quality standards for supplements

ISO Certified

Meets ISO quality management standards for consistent production, testing, and packaging protocols
